Finished basket dimensions:
7 1/2" H x 8 1/4" W Circumference is 25 1/2"

About the basket...

"Back to Basics" starts by weaving a woven, filled base. Techniques include start/stop weaving, twining, filling a base using the "chicken feet" method and the use of overlays. Shaping will be emphasized as this basket starts as a square base and ends up being round. The accent colors are Mahogany and Tan. Pretty beads on the front complement the colors of the basket. This basket would look great with a potted plant inside it or as a very useful catch-all.

About the teacher...

Bonnie is a full-time basket teacher from Decatur, IL. She travels the United States to teach. Bonnie especially enjoys seeing new weavers complete their very first basket! You can visit her website at www.bonniesbasketsil.com.
