

The Basket Art Guild usually meets the third or fourth Sunday, approximately every other month in Decatur, Illinois.

All workshops are held at the Long Creek Community Center unless otherwise stated.

We also host workshops that are taught by accomplished basket artisans.

The Basket Art Guild was established to perpetuate the art of basketry and to stimulate public interest, appreciation, and knowledge of basketry.

Weaving Tip

Dianne Mockler sent in a weaving tip. Have you tried using a Gator? It is a micro tool detail sanding kit. Available on Amazon for \$12.90. She finds it handy for sanding rims and sanding less than perfect reed while laying out a base. Thanks for the tip Dianne!

- Moves easily in tight spaces and into corners making it perfect for your detail sanding needs
- Comfortable grip that molds to the shape of your finger
- The quick change hook and loop base makes it easy to change sandpaper grits
- Resists clogging and loading
- Resists heat and humidity
